Join Us at the 9th World Congress on Vascular Access (WoCoVA) in Valencia!

Get ready for the world's leading event in vascular access!
The 9th WoCoVA is the must-attend biennial congress where top vascular access professionals, researchers and specialists come together to advance knowledge and share expertise.

Dates: April 15-17, 2026

Location: VCC, Valencia, Spain

Why Attend WoCoVA 2026?

- Connect with world-renowned experts in vascular access and related medical fields showing their cutting-edge research and best practices
- Experience the largest global congress dedicated to vascular access, held every two years
- Gain insights from about 100 scientific lectures across two parallel meeting rooms, and dedicated poster presentation sessions with over 120 posters
- Explore the latest products and innovations at the industry exhibition
- Network with professionals from over 60 countries in a truly multidisciplinary setting

Don't miss this incredible opportunity to expand your expertise, collaborate with thought leaders, and shape the future of vascular access!
