

The 9th World Congress on Vascular Access (WoCoVA)
will take place from
Wednesday the 15th to the Friday the 17th of April 2026

It will be hosted in the Valencia Conference Centre (VCC)
in the beautiful city of Valencia in Spain

What to expect:

- A 3-day high-quality scientific program
- Presentations from global vascular access specialists
- To explore all aspects of vascular access
- From current practices to cutting-edge innovations
- Hands-on expertise and firsthand insights
- New products from leading producers and distributors

**If you are a vascular access specialist,
then the 9th WoCoVA is a must attend congress**

**So, block 15 to 17 April 2026 in your agenda to be sure you can
join**

Registration will open in September 2025
